Nov. 11

Raw Foods & Healthy  
Eating for the Holidays

Sponsorship opportunities are available for individual programs and the entire series. Sponsorship is a great way to provide exposure for your business to a targeted audience of environmentally-minded, Plainfield-area residents while helping to defray program costs, which allows us to offer these programs at no cost to attendees. For more information regarding sponsorship, please call (815) 609-6139. Note: There are no programs in October and December.

For more information: Therese Chaves, Plainfield Public Library at (815) 327-2505 or Jonathan Proulx, Village of Plainfield at (815) 609-6139
