GENERAL INFORMATION

The mission of the government of the Village of Plainfield is to promote a friendly, safe and diverse community; offering a variety of cultural opportunities and a high quality of living. Plainfield will maintain its commitment to strengthening community spirit and embrace its historic character while improving transportation options, increasing access to services, and enhancing open space.

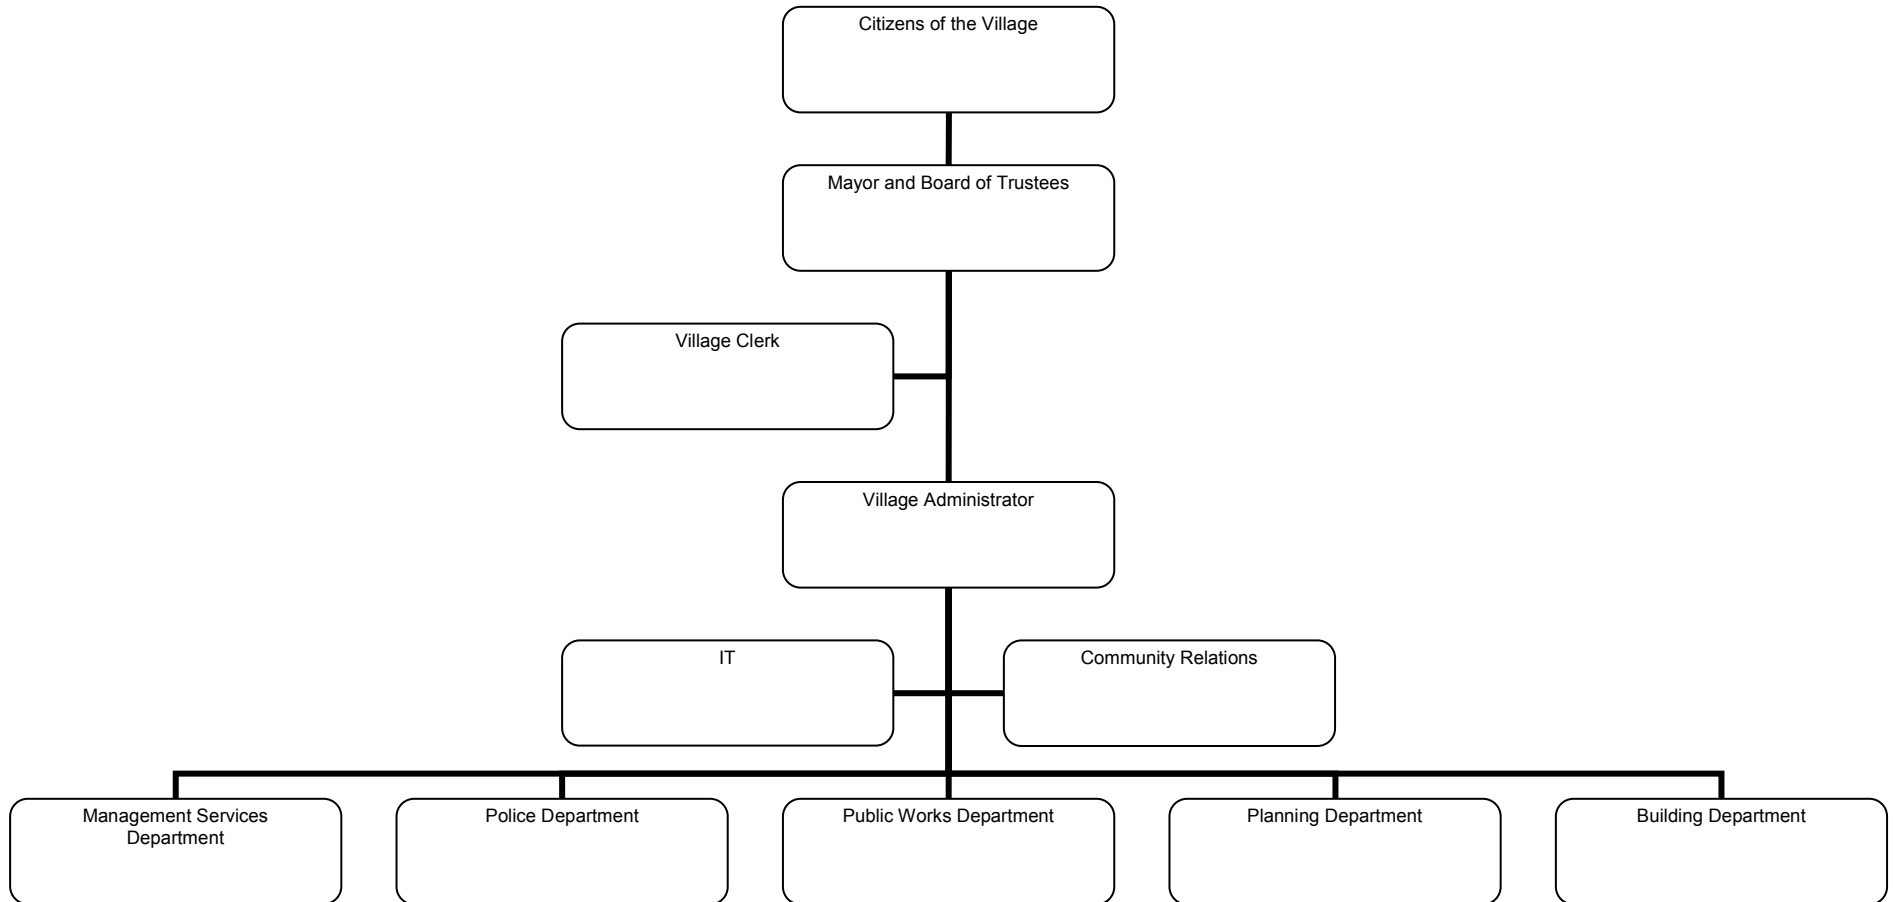

Plainfield is a prosperous and bustling Village, located 35 miles southwest of Chicago, with a population of 39,581 residents. Easily accessible, the Village is close to several interstates and state highways making it an excellent place to live, own a business, or simply spend the day shopping and dining in our historic downtown.

As one of the fastest growing communities in the State of Illinois, Plainfield continues to build upon its already rich history, and the Village Government is well positioned to accommodate growth and welcomes new commercial and industrial development to help parallel the success of its residential expansion.

The Village of Plainfield is governed by a Village President and Board of Trustees. Six trustees are elected at large to sit on the Village Board. The Board sets policy for the Village, adopts ordinances and resolutions, approves the annual budget (FY 18-19 \$62.3 million), and approves all expenditures. The day-to-day operations of the Village are managed by the Village Administrator.

The Village currently retains 147 employees (129 full time and 18 part-time). The Organizational Chart on the next page identifies the functional division of the Village's employees.
